Product number:: 1390410

Prismatic stop 120° with t slot guide and clamping for DEMM universal comparative meas. instruments QUICK CHECK 150x10mm

Product 1390410

number:

EAN / 4066918051899

GTIN:

Customs 90318020

code:

Delivery Parcel delivery service

method:

Weight: 0.5kg

Product description

- Works standard
- Hardened special steel
- For reliable diameter measurement without search of the reversal point.
- Repeatability of the mechanic \pm 0.001mm

Delivered in individual packages without universal comparative measuring instrument and dial indicator

Operation:

- The V anvil can be slided in the slot and adjusted for different diameters.
- Pre-setting through setting master or measuring disc
- The required correction factor is entered into the dial gauge display and shall remain saved.
- The correction of the measured value follows automatically.
- The user reads the exact measuring result directly on the dial gauge display
- Further calculations are not necessary.

! A dial gauge with conversion factor - function is needed. We recommend digital dial indicator No. 1301 106

! The mentioned workpiece Ø refers to standard QUICK CHECK No. 1390 101

! Larger workpiece Ø on request.

Datasheet

Product number:: 1390410

Technical Data

Size: 150x10mm

Article no.: 1390410

Brand: ULTRA

Dimension:150x10mmFor work piece Ø:Max. 135mm

Material: Hardened steel

V stop: 120° **Weight:** 0.5kg
