### Product description

- Aluminium, hexagonal profile, black
- Clamping of the pin gauges by means of a screw on the side surface
- Suitable for all pin gauges, 15mm of the pin gauge length will be need as clamping surface.
- Incl. marking of the nominal diameters, according to your requirement
- The additional marking of an ID-number will be made against extra charge.

#### Delivered in individual packages

**! Order notice - Please enter exact nominal diameter, e.g. Ø 7.58mm oder Ø 12.495mm**

**! ATTENTION! This is not a universal version of the aluminum hexagonal handles. The specified size range "from-to" only describes the smallest or largest pin gauge Ø for which the same price applies. It is not possible to clamp the entire range with just one handle, but only the Ø you specify.**
