

Sine bars, hardened steel

300mm

Product number: 1694103

EAN / GTIN: 4066918067654

Customs code: 90178010

Delivery method: Parcel delivery service

Weight: 3kg

Product description

- Works standard, similar DIN 2273
- Precise angle adjustment with gauge blocks according to sine principle
- Hardened and ground special steel
- Workpiece anvil on the front face

Delivered in individual packages

Technical Data

Size:	300mm
Article number:	1694103
Brand:	ULTRA
Accuracy at an angle of 30°:	+/- 5''
Length:	345mm
Profile:	40x50mm
Roller distance:	300mm
Weight:	3kg
