

**Squareness testers 90°, light weight design,
with storage box, incl. calibration certificate
0-360/450/0,0015mm**

Product number: 1639201

EAN / GTIN: 4066918063465

Customs code: 90172039

Delivery method: Parcel delivery service

Weight: 5.8kg

Product description

- Works standard
- Column made of aluminium hard coated
- Solid stand made of hardened special steel with 3-point support
- Contact pressure and sliding characteristics adjustable
- Dial mounting hole \varnothing 8mm with fine adjustment

Delivered in storage box, incl. SCS calibration certificate ISO/IEC 17025, without dial test indicator

Technical Data

Size: 0-360/450/0,0015mm

Article number: 1639201

Brand: ULTRA

Accuracy: 0,0005mm

Angularity: 0,0015mm

Base: 40x150mm

Height: 450mm

Measuring range: 0-360mm

Weight: 5.8kg
