

**Clamping cubes, special cast iron
with T-slots and clamping slots
300x220x200mm 14/18mm GG-3**

Product number: 1461102
EAN / GTIN: 4066918054821
Customs code: 90172039
Delivery method: Truck freight
Weight: 40kg

Product description

- DIN 875 / DIN 876
- Base and 3 side faces with clamping slots, grade 3
- Clamping surface with 3 pcs. T slots DIN 650 H12
- 1 open side face
- Machined to the same size: All surfaces are machined with a maximum deviation of +/- 0.1 mm from each other, but the nominal dimensions (length, width, height) are not tolerated.
- Machined to the accurate size: All surfaces and also the nominal dimensions (length, width, height) are machined with a maximum deviation of +/- 0.1 mm from each other.

Delivered in individual packages

! Larger dimensions, higher accuracy and several cubes machined in the same dimensions/accurate dimensions on request.

! If several cubes of the same size are ordered at the same time, they are not machined to the same size and accurate size.

Dimensional identical cubes from an order quantity of two pieces have a production time and are calculated with surcharges.
