

**Articulated measuring stands Strato μ -Line A-33 P + G
sliding granite base, centre lock, precision fine adjustment
330/438mm**

Product number: 1400610
EAN / GTIN: 4066918105943
Manufacturer number: AP33.20
Customs code: 90178090
Delivery method: Parcel delivery service
Weight: 2.95kg

Product description

- Precision fine adjustment (P) with approximately 0.1mm stroke per revolution related to the mounting hole with excellent ease of setting and high repetitive accuracy makes the unit exceptionally well suited for measurements in the μ range
- Freely adjustable arm
- Aluminium linkage
- Dial mounting hole \varnothing 8mm

Delivered in individual packages, without dial gauge

Applications:

- The largest Strato μ -Line model features steplessly adjustable pre-tensioning to protect the instrument.
