

**Digital depth calipers ULTRA active aluminium in box
including measuring bridges and measuring insert
800x150-450/0,01mm**

Product number: 6853105

EAN / GTIN: 4066918103055

Customs code: 90173000

Delivery method: Parcel delivery service

Weight: 0.82kg

Product description

- Works standard
- Bar 23x9mm, guiding elements and housing made of aluminium
- Optimal guiding and sliding characteristics due to internal double V guides
- Interchangeable measuring bridges 150, 300 and 450mm made of aluminium hard coated
- Extremely low weight
- Large LCD display
- Two 90° threaded offset bores M 2.5 for interchangeable measuring inserts
- Battery LR 44 1.5V

Delivered in a case including measuring bridges 150, 300 and 450mm, measuring insert No. 1330101 and certificate of compliance

Functions:

- On/Off
- mm/inch commutation
- Zero setting at any position

Technical Data

Size:	800x150-450/0,01mm
Article number:	6853105
Brand:	ULTRA
Accuracy:	0,06mm
Bar and guiding elements:	Aluminium
Bar cross section:	23x9mm
Bridge lengths:	150, 300 and 450mm
Bridges aluminium:	Hard coated
Certificate of compliance:	Included
Measuring range:	800mm / 32 inch
Mounting hole meas. inserts:	M2,5
Reading:	0,01mm / .0005 inch
Weight:	0.82kg
