

Digital depth calipers ULTRA active aluminium in box for grooves, bores, recesses and offsets

100x150-350/0,01mm

Product number: 6853201

EAN / GTIN: 4066918103062

Customs code: 90173000

Delivery method: Parcel delivery service

Weight: 0.35kg

Product description

- Works standard
- Bar 23x9mm, guiding elements and housing made of aluminium
- Optimal guiding and sliding characteristics due to internal double V guides
- Measuring bridges 150mm and 350mm made of aluminium hard coated
- Extremely low weight
- Large LCD display
- Extendable measuring bar \varnothing 4mm, with disc measuring insert \varnothing 10mm interchangeable
- Mounting hole for measuring inserts M 2.5
- Battery LR 44 1.5V

Delivered in a case including measuring bridges 150mm and 350mm, certificate of compliance and accessories

Functions:

- On/Off
- mm/inch commutation, Zero setting at any position

Technical Data

Size:	100x150-350/0,01mm
Article number:	6853201
Brand:	ULTRA
Accuracy:	0,03mm
Bar and guiding elements:	Aluminium
Bar cross section:	23x9mm
Bridge lengths:	150mm and 350mm
Bridges aluminium:	Hard coated
Certificate of compliance:	Included
Measuring range:	100mm / 4 inch
Mounting hole meas. inserts:	M2,5
Reading:	0,01mm / .0005 inch
Weight:	0.35kg
