

**Articulated measuring stands Strato μ -Line A-28 P
without base, with centre lock and precision fine adjustment
287/342mm**

Product number: 1400607
EAN / GTIN: 4066918105912
Manufacturer number: AP28.30
Customs code: 90178090
Delivery method: Parcel delivery service
Weight: 0.83kg

Product description

- Precision fine adjustment (P) with approximately 0.1mm stroke per revolution related to the mounting hole with excellent ease of setting and high repetitive accuracy makes the unit exceptionally well suited for measurements in the μ range
- Freely adjustable arm
- Aluminium linkage
- Dial mounting hole \varnothing 8mm

Delivered in individual packages, without base and without dial gauge

Applications:

- The standard Strato μ -Line model additionally features steplessly adjustable pre-tensioning to protect the instrument.
