

**Concentricity test plug gauge with measuring ball
in box incl. certificate
SK40/Ø30x150mm**

Product number: 1125912

EAN / GTIN: 4066918012418

Customs code: 84661020

Delivery method: Parcel delivery service

Weight: 1kg

Product description

- Hardened tool steel
- Concentricity taper to ball < 0.01mm

Delivered in wooden box with works calibration certificate

Technical Data

Size: SK40/Ø30x150mm

Article number: 1125912

Brand: ULTRA

Diameter: Ø30mm

Dimension: SK40

Material: Hardened steel

Shaft length: 150mm

Standard: DIN 69871

Total length: 218,4mm

Weight: 1kg
