

## Concentricity testers without stand for vertical and horizontal application

### 75/550mm 10H7

**Product number:** 1567201  
**EAN / GTIN:** 4066918060501  
**Customs code:** 90318080  
**Delivery method:** Truck freight  
**Weight:** 30kg

Stativ verschiebbar auf  
separater Führungsschiene  
Stand moveable on a  
separate sliding rail

## Product description

- Works standard
- Finely ground measuring faces
- Left side (base) with fixed centre sleeve
- Right tailstock with movable centre sleeve
- Base plate with T-slot

**1567201:** Model without measuring stand

**1567202:** Model with measuring stand, moveable on a separate sliding rail

**Delivered in individual packages, without dial gauge**

### Application:

- Checking concentricity and wobble
- Usable as base to measure, diameters, steps, length and distance

## Technical Data

**Size:** 75/550mm 10H7

**Article number:** 1567201

**Brand:** ULTRA

**Center distance:** 550mm

**Center height:** 75mm

**Dimension:** 75/550mm

**Measuring stand:** Without

**T-Slot:** 10mm H7

**Weight:** 30kg
