

**Digital tachometers optical+mech. in box  
with yarn measuring adapter and access.**

**1-99999 1/min / rpm**

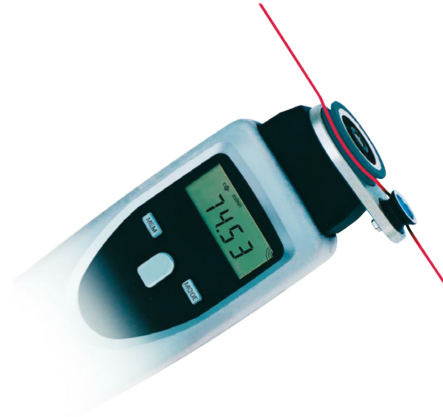

**Product number:** 2101501

**EAN / GTIN:** 4066918087294

**Customs code:** 90291000

**Delivery method:** Parcel delivery service

**Weight:** 0.25kg

**Product description**

- Contact-free (optical) measurement with reflective tape, distance 350mm, Rev speed in both directions
- Mechanical measuring with detachable contact points, Rev speed, surface speed and length measurements in both directions
- Response time 0.5 sec.
- ABS housing

**2100 101:** Digital hand tachometers optical

- Delivered in a box incl. reflective tapes and batterie

**Functions:**

- Memory Min, Max, AV
- Auto OFF

**2101 101:** Digital hand tachometers optical and mechanical

- Delivered in a box incl. measuring points, measuring wheel 6", reflective tapes and batteries

**Functions:**

- Memory Min, Max, AV
- Commutation rpm, m/min, ft/min, in/min, m/sec,ft/sec, m, ft, in
- Auto OFF

**2101 501:** Digital hand tachometers optical and mechanical, additional yarn measuring adapter

- Delivered in a box incl. measuring points, measuring wheel 6", reflective tapes and batteries

**Functions:**

- Memory Min, Max, AV
- Commutation rpm, m/min, ft/min, in/min, m/sec,ft/sec, m, ft, in
- Auto OFF

## Technical Data

**Size:** 1-99999 1/min / rpm

**Article number:** 2101501

**Brand:** ULTRA

**Accuracy grade:** +/- 0,2% (1 Digit)

**Execution:** Yarn meas. Adapter

**Weight:** 0.25kg
