

Digital tachometers optical+mech. in box with yarn measuring adapter and access.

1-99999 1/min / rpm

Product number: 2101501

EAN / GTIN: 4066918087294

Customs code: 90291000

Delivery method: Parcel delivery service

Weight: 0.25kg

Product description

- Contact-free (optical) measurement with reflective tape, distance 350mm, Rev speed in both directions
- Mechanical measuring with detachable contact points, Rev speed, surface speed and length measurements in both directions
- Response time 0.5 sec.
- ABS housing

2100 101: Digital hand tachometers optical

- Delivered in a box incl. reflective tapes and batterie

Functions:

- Memory Min, Max, AV
- Auto OFF

2101 101: Digital hand tachometers optical and mechanical

- Delivered in a box incl. measuring points, measuring wheel 6", reflective tapes and batteries

Functions:

- Memory Min, Max, AV
- Commutation rpm, m/min, ft/min, in/min, m/sec,ft/sec, m, ft, in
- Auto OFF

2101 501: Digital hand tachometers optical and mechanical, additional yarn measuring adapter

- Delivered in a box incl. measuring points, measuring wheel 6", reflective tapes and batteries

Functions:

- Memory Min, Max, AV
- Commutation rpm, m/min, ft/min, in/min, m/sec,ft/sec, m, ft, in
- Auto OFF

Technical Data

Size: 1-99999 1/min / rpm

Article number: 2101501

Brand: ULTRA

Accuracy grade: +/- 0,2% (1 Digit)

Execution: Yarn meas. Adapter

Weight: 0.25kg
