

**Digital dial indicators IP65, ULTRA active  
with lifting device  
50/0,01mm Ø58mm**

**Product number:** 6301123

**EAN / GTIN:** 4066918108159

**Customs code:** 90178090

**Delivery method:** Parcel delivery service

**Weight:** 0.65kg

## Product description

- Works standard
- Protection class IP65
- Large LCD display, turnable up to 270°
- Aluminium housing Ø 58mm
- Clamping shaft Ø 8mm h6
- With Lifting device
- Interchangeable measuring insert M2.5
- Battery CR 2032 3V

### Delivered in cardboard box

### Functions:

- On/Off, mm/inch commutation, Zero setting at any position, Tolerance pre-selection, ABS function, Reversible measuring direction, Data output DIGIMATIC
