

Prismatic stop 120° with t slot guide and clamping for DEMM universal comparative meas. instruments QUICK CHECK 150x10mm

Product 1390410

number:

EAN / 4066918051899

GTIN:

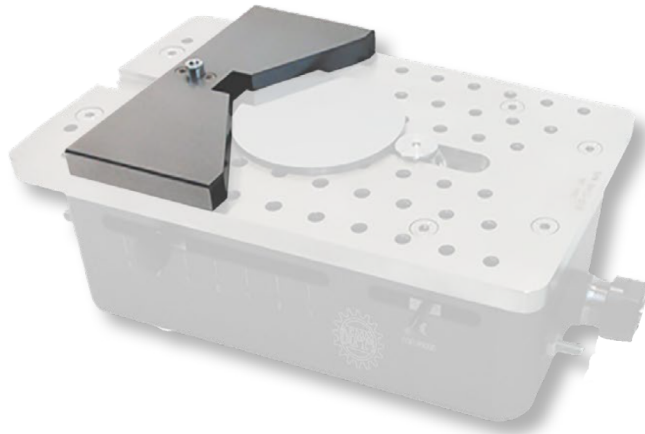

Customs 90318020

code:

Delivery Parcel delivery service

method:

Weight: 0.5kg

Product description

- Works standard
- Hardened special steel
- For reliable diameter measurement without search of the reversal point.
- Repeatability of the mechanic $\pm 0.001\text{mm}$

Delivered in individual packages without universal comparative measuring instrument and dial indicator

Operation:

- The V anvil can be slid in the slot and adjusted for different diameters.
- Pre-setting through setting master or measuring disc
- The required correction factor is entered into the dial gauge display and shall remain saved.
- The correction of the measured value follows automatically.
- The user reads the exact measuring result directly on the dial gauge display
- Further calculations are not necessary.

! A dial gauge with conversion factor – function is needed. We recommend digital dial indicator No. 1301 106

! The mentioned workpiece Ø refers to standard QUICK CHECK No. 1390 101

! Larger workpiece Ø on request.

Technical Data

Size:	150x10mm
Article number:	1390410
Brand:	ULTRA
Dimension:	150x10mm
For work piece Ø:	Max. 135mm
Material:	Hardened steel
V stop:	120°
Weight:	0.5kg
