

**Measuring ball sets Tol.±0,001mm in wooden box**  
**Tungsten carbide, 75 parts, incl. cal. certificate**  
**Ø 1-25/1mm**

**Product number:** 1062201

**EAN / GTIN:** 4066918005861

**Customs code:** 90318020

**Delivery method:** Parcel delivery service

**Weight:** 3.5kg

## Product description

- Works standard
- Nominal size tolerance  $\pm 1\mu$
- Roundness  $0.65\mu$

**Delivered in a wooden case and including works calibration certificate**

**! Measuring sets made of ceramic, other set compositions and DAkkS calibration on request.**

## Technical Data

**Size:** Ø 1-25/1mm

**Article number:** 1062201

**Brand:** ULTRA

**Execution:** 3 balls per diameter

**Material:** Tungsten carbide

**Set composition:** 75 pieces

**Step:** 1mm

**Weight:** 3.5kg
