

## Temperature probes

### Immersion probe Inconel, potential free

**-200 ... +1150 °C**

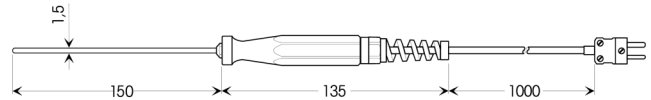

**Product number:** 2130105

**EAN / GTIN:** 4066918087935

**Customs code:** 90251900

**Delivery method:** Parcel delivery service

**Weight:** 0.06kg

## Product description

- Removable probe NiCr-Ni Type K
- Insulated handle
- Silicon connection cable 1m
- DIN flat connection

**2130 101:** Surface probe Cu tips

**2130 102:** Surface probe NiCr-Ni spiral springs

**2130 103:** Surface probe NiCr-Ni tips 90° bent

**2130 104:** Immersion probe V4A pipe rigid

**2130 105:** Immersion probe Inconel, potential free

**2130 106:** Insertion probe V4A pipe springy

**2130 107:** Insertion probe V4A pipe rigid

**Delivered in individual packages**

**! Other special probes and thermoelement wires on [request](#).**

## Technical Data

**Size:** -200 ... +1150 °C

**Article number:** 2130105

**Brand:** ULTRA

**Execution:** 2130 105

**Measuring range:** -200 ... +1150°C

**Response speed:** 3 sec.

**Weight:** 0.06kg
