

**Digital depth calipers ULTRA active aluminium in box
for grooves, bores, recesses and offsets
200x150-350/0,01mm**

Product number: 6853202

EAN / GTIN: 4066918103079

Customs code: 90173000

Delivery method: Parcel delivery service

Weight: 0.4kg

Product description

- Works standard
- Bar 23x9mm, guiding elements and housing made of aluminium
- Optimal guiding and sliding characteristics due to internal double V guides
- Measuring bridges 150mm and 350mm made of aluminium hard coated
- Extremely low weight
- Large LCD display
- Extendable measuring bar Ø 4mm, with disc measuring insert Ø 10mm interchangeable
- Mounting hole for measuring inserts M 2.5
- Battery LR 44 1.5V

Delivered in a case including measuring bridges 150mm and 350mm, certificate of compliance and accessories

Functions:

- On/Off
- mm/inch commutation, Zero setting at any position
