

# Digital depth calipers ULTRA active aluminium in box including measuring bridges and measuring insert 500x150-450/0,01mm

| Product number:  | 6853104                 |
|------------------|-------------------------|
| EAN / GTIN:      | 4066918103048           |
| Customs code:    | 90173000                |
| Delivery method: | Parcel delivery service |
| Weight:          | 0.51kg                  |

### Product description

- Works standard
- Bar 23x9mm, guiding elements and housing made of aluminium
- Optimal guiding and sliding characteristics due to internal double V guides
- Interchangeable measuring bridges 150, 300 and 450mm made of aluminium hard coated
- Extremely low weight
- Large LCD display
- Two 90° threaded offset bores M 2.5 for interchangeable measuring inserts
- Battery LR 44 1.5V

# Delivered in a case including measuring bridges 150, 300 and 450mm, measuring insert No. 1330101 and certificate of compliance

#### Functions:

- On/Off
- mm/inch commutation
- Zero setting at any position

Product number: 6853104
