

**Concentricity test plug gauge with measuring ball
in box incl. certificate
BT40/Ø30x150mm**

Product number: 1125921

EAN / GTIN: 4066918012432

Customs code: 84661020

Delivery method: Parcel delivery service

Weight: 1kg

Product description

- Hardened tool steel
- Concentricity taper to ball < 0.01mm

Delivered in wooden box with works calibration certificate

Technical Data

Size: BT40/Ø30x150mm

Article number: 1125921

Brand: ULTRA

Diameter: Ø30mm

Dimension: BT40

Material: Hardened steel

Shaft length: 150mm

Standard: JIS B6339

Total length: 215,4mm

Weight: 1kg
