

**Digital dial indicators IP65, ULTRA active
with lifting device
50/0,001mm Ø58mm**

Product number: 6301126

EAN / GTIN: 4066918108173

Customs code: 90178090

Delivery method: Parcel delivery service

Weight: 0.65kg

Product description

- Works standard
- Protection class IP65
- Large LCD display, turnable up to 270°
- Aluminium housing Ø 58mm
- Clamping shaft Ø 8mm h6
- With Lifting device
- Interchangeable measuring insert M2.5
- Battery CR 2032 3V

Delivered in cardboard box

Functions:

- On/Off, mm/inch commutation, Zero setting at any position, Tolerance pre-selection, ABS function, Reversible measuring direction, Data output DIGIMATIC
