

**Articulated measuring stands Strato μ -Line A-20 P
without base, with centre lock and precision fine adjustment
204/259mm**

Product number: 1400604
EAN / GTIN: 4066918105882
Manufacturer number: AP20.30
Customs code: 90178090
Delivery method: Parcel delivery service
Weight: 0.38kg

Product description

- Precision fine adjustment (P) with approximately 0.1mm stroke per revolution related to the mounting hole with excellent ease of setting and high repetitive accuracy makes the unit exceptionally well suited for measurements in the μ range
- Freely adjustable arm
- Aluminium linkage
- Dial mounting hole \varnothing 8mm

Delivered in individual packages, without base and without dial gauge

Applications:

- The mid-range Strato μ -Line model can be used in any type of mechanical system. Pre-tensioning cannot be set.
